Comments from U.K.

Provided that all aspects are taken into account, and not just the bindings aspect, the U.K. would accept the proposal, and adequate representation would need to be added to SC 22/WG 11 in language areas from both SC 21 and SC 22.

Results of Voting:

Proposal qualifies for acceptance into the programme of work and is assigned project number 97.22.16.

Proposal does not qualify for acceptance into the programme of work.

Secretariat Comments:

SC 22 is directed to review the U.K. comments concerning the modification of the project definition. If SC 22 agrees to modify the definition of the new work item, TC 97 should be notified accordingly.
