

X3J16/WG21 Post-Dallas Mailing

The next sheet is the list of documents in the mailing, in the same format as the complete document list (which immediately follows it).

None of the documents are stapled. Since each organization only receives one copy of the mailing, this should make it easier to make additional copies for alternates and observers.

	91-0139	Dug's memo overhauling structure
P	91-0140	Smad's general (1) proposal
R	91-0144	Snyder's "Proposals"
R	91-0145	allow access to data member proposals
R	91-0146	special facilities for holding private

make record of extensive group decisions
