

EVENT INFORMATION GUIDE

2024 WG14 Minneapolis

Perforce Software is pleased to host the fall 2024 WG14 meeting September 30 – October 4, 2024.

Address

[Perforce Software Headquarters](#)

400 First Avenue North #400
Minneapolis, MN 55401

Airport

You will fly into the [Minneapolis-St. Paul International Airport](#). There are two terminals at MSP: Terminal 1 and Terminal 2. The terminals are accessed off separate roadways, so it is important to know which terminal you will fly in or out of. Check the [airlines by terminal page](#) to find out which terminal you'll need.

One mode of transportation from the airport to the hotel is the Light Rail.

Light Rail Locations at the Airport

The Terminal 1 METRO Blue Line station is located below the Red, Blue and Silver parking ramps. From the Tram Level (one level below baggage claim), take the tram to the Red, Blue and Silver parking ramps. When you exit the tram, follow the signs to the METRO Blue Line station.

The Terminal 2 METRO Blue Line station is located on the north side of the Orange Ramp. From Level 1, near Ticketing, take the elevator or escalator up to the Orange Ramp skyway. Follow the signs to the light rail station. Take the escalators or elevators down one level to the station platform.

Getting to the hotel: You will take the Blue Mpls-Target Field line to Nicollet Mall Station and walk 0.3 miles to the hotel.

Getting to the airport: You will depart from Nicollet Mall Station and take the Blue Line to Blue Mall of America and arrive at either Terminal 1 or Terminal 2 depending on which terminal you are flying out of.

Tickets are \$2.00-\$2.50. They are sold at ticket machines at the rail stations and on the [Metro Transit app](#). For more information, visit [metrotransit.org](#).
