Airports: You can fly into either the Manchester, New Hampshire airport or the Boston, Massachusetts airport. I strongly recommend Manchester Airport.

Manchester Airport is about 30 minutes away from the hotel. The hotel provides a free shuttle service to and from Manchester Airport from 7 AM to 11 PM. The hotel requests that you reserve a seat on the shuttle by calling the hotel's reservation desk in advance once you know your flight information. The hotel does have courtesy telephones in the luggage pickup area of the airport. However, if you wait until reaching the airport before requesting shuttle service, there may be a long delay before you can be picked up.

Boston Airport is 60 to 90 minutes away from the hotel. Boston traffic near the airport is frequently heavy and the roads can be tricky to navigate. The hotel does not

provide free transportation to/from Boston Airport. There are two commercial shuttle services:

M and L Transportation. Cost: \$26/person one way. Hours: 9 AM to 11 PM (10 PM on Saturday). Major Credit Cards accepted. Call 665-7791 once you arrive at the airport to be picked up. To reserve a return trip from the hotel to the airport, call 800-225-4846 the day before leaving.

Flight Line. Cost: \$26/person one way. Hours: 9 AM to 11 PM (or anytime with a reservation). Reservations requested, call 800-245-2525 or 603-893-8254. Cash or Traveler's checks only.

Car A car is unnecessary. The hotel has two restaurants, and six other restaurants are within a five to ten minute walk.

If you would like to rent a car while at the hotel, the hotel can arrange for Budget Rent-a-car to deliver and pick up a car.

Hotel Facilities: Modular plugs on phones for modems. Full Health Club with free weights, Nautilus machine, indoor pool, outdoor tennis. Laundry and Dry Cleaning Service.
